## PERSONAL SUMMARY

I am a hard working professional who likes to complete any task in a timely manner. I have obtained strong organizational skills through my years in middle school through college. I ensured that school projects and assignments were completed promptly and with the quality the teacher expected, if not better. I go above and beyond and strive to improve in helping others .

## SKILLS

- Quick learner
- Excellent analytical and problem solving skills
- Positive attitude and philosophies
- Outstanding interpersonal skills
- Lateral thinker
- Works well on a team and individually
